

Dear National Association,

EHF Development Projects Committee wishes to update the EHF waiting list of those nations who want our help to find a good quality second hand carpet to help them develop hockey in their country and perhaps the wider region.

Please remember the criteria for your nation to receive a second hand carpet

- You must send written commitment that you will lay the carpet and finish the pitch project within 6 months of receiving the carpet
- You must be prepared and able to finance the construction of a good quality sub base on which the carpet will be laid
- You must be prepared to finance the transport costs to carry the pitch from the club/nation offering the pitch to your final project site

EHF assists in finding good quality second hand carpets and also sometimes supports some of the costs of loading the rolls onto your trucks.

**IF YOUR NATIONAL ASSOCIATION IS INTERESTED IN RECEIVING A SECOND HAND CARPET IN 2015 PLEASE COMPLETE THE TABLE BELOW AND RETURN IT TO EHF EDUCATION AND DEVELOPMENT MANAGER NORMAN HUGHES**

**[norman@eurohockey.org](mailto:norman@eurohockey.org) BEFORE END NOVEMBER 2015**
