

EHF SIGNS NEW AGREEMENT WITH SPORTWAYS

The European Hockey Federation and SportWays have signed a 2 year agreement whereby they will work closely together to develop hockey in Europe.

The partnership will benefit 7 young aspiring coaches across Europe each year. 3 coaches nominated by EHF coaching group will be invited to attend the SportWays Coaching Laboratory held each year in December in Barcelona. 4 coaches will be invited to SportWays EHF Camps in August each year in Barcelona. The knowledge gained at both of these events will for sure enhance the coaching levels of the young coaches and lead to fresh ideas being shared across Europe.
