HISTORY

Founded in 1948 (75 years to be celebrated this year), awarded with Italian National Olympic Committee's gold medal for sports merit, based on about 50 members and as many qualified technicians and instructors in the various disciplines, the sports association exceeded, during the last sports season, the number of 1,000 registered members, including competitive, amateur and young people enrolled in the various sports start-up schools, confirming itself as one of the largest and best-known sports entities on the island

VENUE

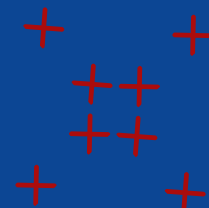

Our facility consists in about 2 hectares, with synthetic turf soccer pitch, water-based synthetic hockey turf, 4 padel fields, 3 padbol fields, 2 five-a-side soccer fields, club-house, meeting room, infirmary, newly designed gymnasium, 10 locker rooms

TEAMS

Our field hockey section, with about 150 active athletes (competitive, youth and masters), participates with its major teams in the highest national championships (Elite), at the women's and men's levels, employing several athletes from its youth sector and, often, even from tutoring and school recruitment.

ELITE M

Our male team is playing the Elite Championship, the highest level in the country. It is constantly staying in the first positions in the last years, as the result of the good work of the club in terms of coaching and players choices.

YOUTH

A pool of talents is constantly being trained, supervised by highly trained coaches who often serve as international players. A large group of young and very young male and female hockey players are flocking to the field during the season.

FUTURE

Our club is increasingly aiming to become a benchmark for the national hockey movement, in form and results, focusing on youth development, inclusion and the practice of sport as a tool for health and well-being.

All this without forgetting competitions, where we aim to improve and achieve ever greater goals.
